MONTE VISTA EDUCATION FOUNDATION

“Making a World of Difference”

The mission of the Monte Vista Education Foundation is to make a difference in lives of Monte Vista’s students by promoting the value of education and work ethic. To accomplish this, the foundation solicits endowment funds through gifts, testamentary bequests, charitable remainder trusts, etc., while challenging educational, civic and business communities to provide the encouragement and resources necessary to promote student excellence and motivation.

Yes! I want to support the Education Foundation.
